

Madeline Davis

madeline.davis@ucf.edu

INSTRUCTOR

UNIVERSITY OF CENTRAL FLORIDA
NICHOLSON SCHOOL OF COMMUNICATION AND MEDIA

TEACHING & ASSISTANTSHIP

Course Support Specialist

University of Central Florida, August 2016 - December 2016

Supervise course reserved lab times and support students with computer graphic software concerns in the area of digital media fundamentals.

Graduate Teaching Assistant

University of Central Florida, January 2017 - May 2018

Supported professors and students in the following courses:

- Fundamentals of Interactive Design (DIG2500)
- Digital Media Production 1 (DIG3525)
- Internet Interaction (DIG3716)
- Digital Imaging Fundamentals (DIG2109)
- Evolution of Video Games (DIG3043)

Instructor

University of Central Florida, August 2018 - Present

Digital Imaging Fundamentals (DIG2109)

Introduces concepts and principles of image creation, and the tools and techniques of image capture, creation, manipulation, and integration for design concepts.

Digital Video Fundamentals (DIG2030)

Introduces concepts and principles of producing and assembling digital video and the tools and techniques of video and sound capture.

Fundamentals of Interactive Design (DIG2500)

Foundations of interactive media including user-interface design. Students combine audio, video, imaging, and animation using industry standard software.

Fundamentals of Game Art (DIG2783)

Fundamental understanding of contemporary game art topics including vector vs raster graphics, 2D sprite animation, basic modeling, and texturing.

Portfolio Development (DIG4594)

Creation and marketing of personal portfolio and application of necessary communication skills to obtain industry-level employment.

OTHER TEACHING ACTIVITIES

Summer B 2019 - DIG4906 - Directed Independent Study: Portfolio Development

Supervised Independent Study for a digital media minor student to further develop the creative side of their portfolio to make themselves more marketable. During the study, the student completed photography and digital imaging tasks, as well as polishing their resume and creating an online portfolio.

Fall 2019 - DIG4906 - Directed Independent Study:

Supervised Independent Study for 3 graphic design major students to develop a gallery ready, interactive work of art. The students were required to complete and prepare their artwork for show, document the completed work and compose an artist statement. They each submitted to 3 gallery Call for Artists to show their work.

Fall 2019 - DIG4906-002 - Directed Independent Study: Portfolio Development

Supervised Independent Study for a digital media minor student to further develop the creative side of their portfolio to make themselves more marketable. During the study, the student completed photography and digital imaging tasks, as well as polishing their resume and creating an online portfolio.

Fall 2019 - DIG4906 - Directed Independent Study: Dead Meme Movie

Supervised Independent Study for 7 digital media students to develop an interactive film commenting on the short life span of internet memes. The students filmed, edited, and coded the project over the semester. They created a custom controller to accompany the interactive film for display purposes.

SERVICE

Foundations Committee (Department Level)

University of Central Florida, Fall 2018 - Present

Collaborated with peers to develop online course curriculum for the departments collaboration with Valencia College and departure from the School of Visual Arts and Design at the University of Central Florida. The committee also works towards developing adaptive learning modules for fundamentals courses.

Online Course Delivery Certification - ADL5000

University of Central Florida, Summer 2018

ADL5000 is a faculty development certification course at the University of Central Florida sponsored by the Center for Distributed Learning to help faculty succeed as they prepare to deliver an existing online course. I took this course the Summer of 2018 in preparation for the Fall 2018 semester.

Photoshop Workshops

University of Central Florida, Spring 2019

Starting in the Spring Semester of 2019, I personally hosted multiple weekly Photoshop workshops for the students in my Digital Imaging Fundamentals Courses. These workshops were also recorded and streamed online for those students unable to attend the in-person workshop.

Faculty Advisor for Registered Student Organization, Pokémon@UCF

University of Central Florida, Spring 2019

Pokémon@UCF is a registered Student Organization founded to bring together students who have a passion for Pokémon. The organization was awarded Social Organization of the Year at the 2019 Impact Awards ceremony for registered student organizations hosted by the Student Government Association and Knights of the Roundtable.

Online Course Development Certification - IDL6543

University of Central Florida, Summer 2019

IDL6543 is an award-winning, non-credit course for faculty provided by the University of Central Florida's Center for Distributed Learning to help faculty succeed as they prepare develop and deliver fully online (W) or mixed mode (M) courses. I took this course the Summer of 2019 in preparation for the Fall 2019 semester.

DIG 2109 (Digital Imaging Fundamentals) Tutorial YouTube Channel

University of Central Florida, Summer 2019 - Present

In the Summer of 2019, I created a YouTube Channel that hosts tutorial videos I have screen-captured for DIG 2109 (Digital Imaging Fundamentals). I have also hosted YouTube Live tutorials to cater to the fully online students as well as the mixed mode students. The channel is divided into multiple playlists for each module.

Scholarship Committee (Department Level)

University of Central Florida, Spring 2020 - Present

Collaborated with peers to review and select awardees for various Digital Media scholarships.

Faculty Advisor for Registered Student Organization, Knights of the Paw

University of Central Florida, Spring 2020 - Current

The mission of Knights of the Paw is to unite and enrich the lives of those who enjoy anthropomorphized characters in any medium. The organization, while based on the unique hobby of “furry”, provides students with an environment of acceptance and promotes self-expression, creativity, and community.

AWARDS**Distinguished Faculty & Administration Member Award**

University of Central Florida, Spring 2019

This award is given to faculty or staff that have gone above and beyond the expectations to mentor, guide or support students by the Department of Housing & Residential Life. Students living in University residential halls nominated faculty or staff for this award.

Quality Online Course Designation

University of Central Florida, Summer 2019

My design of the fully online Digital Imaging Fundamentals (DIG 2109) course met the evidence-based criteria necessary to be recognized within the State University System of Florida as a Quality online course.

High Quality Online Course Designation

University of Central Florida, Summer 2019

My design of the fully online Digital Imaging Fundamentals (DIG 2109) course met the evidence-based criteria necessary to be recognized within the State University System of Florida as a High Quality online course.

EDUCATION**Masters of Arts, Digital Media: Visual Language and Interactive Design**

University of Central Florida, Spring 2018

Bachelor of Arts, Studio Art

Florida Atlantic University, Fall 2014

Areas of focus include graphic design, photography, and silk screen printmaking.
